<b>Persian Garden to Ouyi Underground City</b>		
Kashan	<p>The tour starts in Kashan, from your hotel at 9 am. The first place to visit is the Fin Persian Garden which is a great example of the architecture of Persian gardens. In Fin Garden, the natural beauty is mixed with splendid architecture and culture to serve a historic empire. After that, you will visit the Tepe Sialk Archeological site, where you will learn about the ancient civilizations that lived in that area. And last but not least, Ouyi Underground City is the final attraction that will be visited on this tour. It may be hard to hear but Ouyi Underground City has 4 floors! You will see it for yourself.</p> <p>At the end, you will be transferred to your hotel.</p>	-
